# Marion Milhau

## Mid-level UX UI Designer

### PROFILE

I'm an enthusiastic, adaptable & mostly self-taught UX-UI designer & e-commerce expert. Currently working as a UX designer at Philips Hue, I'm thriving everyday designing impactful experiences for a market leader. I'm a very crafty person (sewing, wood-working, DIY) & love spending time in nature.

### EXPERIENCE

#### UX-UI Designer

Philips Hue, Signify

Sept 2022 - Present - Eindhoven

I'm involved in the constant improvement of the philips-hue.com D2C website as well as NPIs & new features introductions on the website.

#### Graphic Designer / UX-UI Designer

Freelancing

Oct 2019 – Sept 2022 - Eindhoven

For 3 years, I was helping companies in various industries to improve their online presence. From logo design to website creation.

#### Marketing Manager & Graphic Designer

Abroad Experience International Recruitment

Apr 2019 – Sept 2022 - Amersfoort

For 3 years, I was managing the agency's social media channels & content creation (reels, social media posts, blog articles & videos). I was also involved in the creation & management of an online course.

### EDUCATION

#### Master degree of User Experience & Data marketing

Sup de Pub

2018 - 2019 - Lyon

#### Minor of Strategies of Innovative Communication

Fontys Hogescholen - Erasmus Exchange

2018 - Eindhoven

#### Bachelor degree of Digital Strategy & Communication

Sup de Pub

2015 - 2018 - Lyon
